

CHURCH OF THE APOSTLES

ATLANTA, GEORGIA

Built in the early 2000's The Church of The Apostles is a landmark on the north side of Atlanta's interstate 75 corridor. The prominent church consists of over 100,000 sf feet, including a 2,800 person sanctuary and over 90 stained glass windows. United work together with an exterior envelope consultant to develop and execute any façade repairs required and complete all general deferred maintenance on the large masonry structure. Scope of work included, window glazing with silicone sealants, 100% exterior sealant replacement at windows, doors, and precast elements, masonry repairs, flashings, slate roof repairs and cleaning and sealing of the exterior façade.
