

FORT SAM HOUSTON

SAN ANTONIO, TEXAS

Fort Sam Houston in San Antonio, Texas, has a long and storied history. Established during the Republic of Texas in the mid 1800's, it has played key roles in multiple significant events and conflicts, including World War I. 1975 Fort Sam Houston was designated a National Historic Landmark, recognizing its rich historical importance. This designation highlighted the fort's contributions to military history and its well-preserved architecture. Buildings 2186 and 2195 are historical buildings that support the Caisson Section. United was tasked with providing exterior masonry restoration to support the restoration of these historical buildings. Scope of work included rebuilding failed masonry walls, tuckpointing, masonry repairs at window and door openings, brick replacement, and full façade cleaning.
